BY *FORTUNE* MAGAZINE FOR TENTH TIME**

LOWELL, Ark., Jan. 23, 2020 - J.B. Hunt Transport Services, Inc. (NASDAQ: JBHT), one of the largest supply chain solutions providers in North America, has again been named one of the World's Most Admired Companies by *Fortune* magazine, the tenth time the company has received the distinction.

"Whether leveraging our company assets or J.B. Hunt 360 technology, customers can rely on J.B. Hunt to provide safe, reliable transportation and logistics services," said John Roberts, president and CEO of J.B. Hunt. "Being named one of the World's Most Admired Companies for the tenth time demonstrates our commitment to be an innovative, customer-centric leader in the industry."

Since 1997, *Fortune* has collaborated with consulting firm Korn Ferry to conduct the annual survey of corporate reputations. According to the outlet, "to determine the best-regarded companies in 52 industries, Korn Ferry asked executives, directors, and analysts to rate enterprises in their own industry on nine criteria, from investment value and quality of management and products to social responsibility and ability to attract talent. A company's score must rank in the top half of its industry survey to be listed."

The complete rankings are available on the *Fortune* [website](#) and in the February edition of the magazine now available on newsstands.
