1. Perform a Search by Job Type

In addition to the current search criteria, users can now search by all jobs, loads, or tours.

2. Tours on the Grid

Users will see the first stop of the first load and the last stop of the last load from the grid view.

3. Route Column

The route column is a quick glance at the job type, how many loads a tour contains, and the total number of stops.

4. Split-Screen View

Click anywhere in the row of the tour to open the split-screen view.

5. Tour Summary

The tour summary is a quick glance at the loads that are part of a tour.

6. View Full Details

Click **View Full Details** to view more in-depth information about each load in the tour.

Tours on the Load Board

FREQUENTLY ASKED QUESTIONS

Q: Can I place offers on a tour?

A: No, tours are eligible for **Book Now** only.

Q: What happens to a tour after I book it?

A: All tour tenders must be manually accepted. Tour tenders can be found in the Acceptance Needed tab of the Booked Loads page.

Q: What if I don't want the whole tour?

A: You must accept or reject the whole tour. You may not accept or reject individual loads within the tour.

Q: Are check calls for tours different than individual loads?

A: No, after a tour tender has been accepted, you will assign a driver and perform check calls on the load as you would for any other load completed through your Carrier 360 account.
